**DRAFT INDEX FOR THE SENECA ARMY DEPOT
MULTIPLE SITE INFORMATION
ADMINISTRATIVE RECORD FILE**

PREPARED BY the Engineering/Environmental Management Division of Public Works, Seneca Army Depot Activity (SEDA), New York.

The Administrative Record file for the Seneca Army Depot, Multiple Site Information and the associated draft index to the Administrative Record file has been developed in accordance with the public participation requirements of Sections 113 and 117 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. §§9613 and 9617; Subpart I of the National Contingency Plan (NCP), 40 CFR 300.8; Final Guidance on Administrative Records for selecting CERCLA Response Actions, OSWER Directive #9833.3A-1; the Inter Agency Agreement (IAG) for Seneca Army Depot; and Army Regulation 200-1, Section 9-11.

ORGANIZATION OF THE INDEX

This index has been developed to assist both the lead agency and members of the public in locating and retrieving documents included in the Administrative Record file. This index also serves as an overview of the history of the response action at the site. The index is organized by subject according to the below listed categories:

Categories

- | | |
|---------|-------------------------|
| SEAD-01 | Factual Information |
| SEAD-02 | Policy and Guidance |
| SEAD-03 | Public Participation |
| SEAD-04 | Other Party Information |
| SEAD-05 | Decision Documents |
| SEAD-06 | Other Information |
| SEAD-07 | Enforcement Documents |

NOTE: Guidance Documents listed in a Bibliography to a document included in the Administrative Record file may not be listed in the Administrative Record file index.

NOTE: Information relevant to more than one response decision will be placed in the Seneca Army Depot Multiple Site Information file.

NOTE: * Indicates that the document is maintained in the confidential portion of the Multiple Sites Record File located in Building 116, SEDA, Romulus, New York 14541-5001. These files are considered confidential because they contain names and addresses of members of the general public. Disclosure of such information could result in a Privacy Act violation.

NOTE: ** Indicates that the file consists of one or more analytical laboratory reports. Upon request to the Seneca Army Depot's Public Affairs officer, groundwater analysis results will be furnished to any interested parties for visual inspection at the Romulus Town Hall, 1435 Prospect Street, Willard, NY.
