All:

On behalf of the Army, we are pleased to submit the Annual Report and Year 13 Review for the Ash Landfill Operable Unit at Seneca Army Depot Activity, located in Romulus, New York. This Annual Report and Year 13 Review provides a review of long-term groundwater monitoring for 2019 and provides recommendations for future long-term monitoring at the site.

The file size is large and will be delivered via the SAFE site. You will receive an email with the link today.

Thanks,

[REDACTED]
